

Official Press Release:  
April 30, 2004

## OSD is featuring advertisement for SID activity.

OSD management is excited about activity initiated by advertisement, and continues to develop a broader advertising campaign. OSD has proven successful with a number of internet based advertising mediums, multiple advertisements in trade magazines, and is now finalized an increase in advertising budget for new activities.

The advertisement below will be in the May issue of Information Display magazine. The May issue is the feature issue distributed at the SID Exhibition 2004 which is at the center of display integration development activity, and also distributed to a vast amount of industry professionals.

### About OSD

**One Stop Displays (“OSD”)** is an exclusive company featuring advanced display technology. OSD was founded by Mr. Khaled Khuda. OSD is closely aligned with Universal EMS for value added display designs, board assembly, and full OEM turnkey solutions. All advertisements on products and services are established under the label OSD. OSD has also reserved the internet domain <http://www.onestopdisplays.net> which extends the OSD customer-oriented approach to business globally. OSD has instituted press releases for the sole purpose of public announcements reflecting its development, growth, and openly identifying its business direction to OSD customers.

### About CEO Khaled R. Khuda:

Khaled R. Khuda, a nationally prominent LCD display expert and entrepreneur, earlier this year sold a majority equity interest in Data International of North America, LLC (“DINA”). DINA is an LCD display

sales company founded by Mr. Khuda thirteen years ago. [DINA also sold certain of its assets.] The purchaser of such equity and assets is a Taiwan manufacturer and minority owner of DINA called Data International, Ltd. ("Data Taiwan"). Data Taiwan manufactured most of the parts sold by DINA. Data Taiwan later resold such DINA assets to and entered into a licensing and supply arrangement with TFS-DI, Inc., a subsidiary of Three-Five Systems, Inc. Three-Five is a publicly traded company operating out of Tempe, Arizona. Mr. Khuda's success in the display industry has led him to a new focusing on the latest technologies and a broad range of other products and services.
